

MARCH 2025

IOWA RETIRED SCHOOL PERSONNEL ASSOCIATION

From the President Beth Hieronymus

Thank goodness, spring is just around the corner. A sense of renewal comes as the ground shakes off the cold, green appears and bulbs begin to emerge. This energy is not only for the Earth, but also for us. As school personnel declare their retirement, we tend to renew our focus on membership. After all, membership drives our ability to accomplish great things. I encourage you to ask a friend to join you at a local event or meeting. Don't forget about those who retired a few years ago either. They may now be ready to join.

Are you ready for something new? IRSPA has openings on the Board for a Secretary, District One Coordinator, and Membership Chair. This is another way to be active and involved. Our strength is in our numbers because IRSPA advocates for IPERS, provides access to affordable benefits and promotes social opportunities for all retired school employees. Please contact me if you are interested in one of these leadership opportunities.

Speaking of opportunities... District meetings are in May. Please take the time to attend these meetings. They are free and IRSPA pays mileage for one car load from each local. It's a wonderful way to learn from others and gain new insights about what is available in your area. Check out the Events tab at IRSPA.org for dates and details.

Don't forget that PH Balance Scholarship applications are due April 1st. Students in Districts 1, 2, and 6 who meet the requirements are eligible. Applications are available on the website under the About tab.

In other news, AMBA is partnering with IRSPA on a

series of webinars designed to help you. Everything from the Basics of Medicare to Protecting Your Nest Egg will be part of this monthly series. Check the Events tab on the website often for details and registration links as they become available.

Finally, the IRSPA Executive Board is meeting on April 1st and 2nd. Because all of you have shared the difficulties of growing leadership, part of our work will focus on ways of elevating engagement. This work will move us beyond the conversation ideas shared in the last newsletter and 7 Touches work from the Annual Meeting. Learn more about our endeavors by attending District Meetings this May and the Annual State Meeting in October.

I hope you enjoy the spring weather, and I look forward to seeing you at one of our District Meetings!

Beth

DEARSPA IRSPA

The members of DEARSPA took an unscheduled trip in December to Algona to visit the Nativity Scene which was made by the German prisoners of WWII.

To complete the trip we visited the museum in Algona and watched the movie Silent Night recently filmed in Algona. By general consensus if you have an interest in the Prisoner of War camps in Iowa, this is a worthwhile informative little day trip.

On February 13, several members helped Audrey Allen celebrate her 100th birthday. What a wealth of information she is able to share; she has been a treasured member of DEARSPA and Iowa Great Lakes Retired School Personnel. She is an inspiration to us all.

We will be back in full swing come March with a variety of little field trips in and around Dickenson and Emmet Counties.

HARDIN COUNTY IRSPA

Our December HCARSP meeting has traditionally included appetizers and holiday punch prior to the meal provided by the Ladies of Edgewood.

Member, Lois Nassen, and guest, Judy Staples, led a Christmas sing including a solo of "O, Holy Night." You can see how much our men's table is enjoying themselves singing along to some of their favorites!

Over 94 items of winter wear were collected for our December service project! These were distributed to both the Alden and Hubbard Elementary schools through their school nurses.

We take a winter break while our snowbirds migrate to warmer locations. Regular meetings will resume in March.

Easy and Inexpensive Way to Help Education

If you are looking for a great way to help your local schools or preschools, ask your members to save their empty tubes from toilet paper, paper towels and wrapping paper!!! Our unit has been doing this for since 2020. Our members have saved about 30 large garbage bags of tubes so far! School Supplies Chairperson Barb Schulze saves the tubes in her garage until she has a full bag then she hauls them to a school in our county. There are several art teachers or early childhood teachers who are excited to receive this large gift!

Barb's School Supplies Committee helps with deliveries. Norene Carpenter and Mary Rosburg take tubes to another school. Other times, Barb finds some strong helpers at school!

Barb Schulze feels like she is good-naturedly known as the "tube-saver lady" in some circles!

"It is interesting to see the expression on the school secretary's face when we walk in with our treasures—surprise, wonder, joy and maybe even fear! But so many teachers have expressed appreciation for these supplies. I'm from the era of save and repurpose so it is really pleasing to pass these supplies on and then see that children are using them," commented Barb.

One art teacher had her students create rainforest snakes painted with fluorescent paints. Music program guests were able to tour the 5th grade classroom while the lights were off to see the fabulous glowing tube cre-

ations!

A classroom teacher at another school had students create fanciful critters with the tubes. Other teachers used the tubes for STEM or STEAM projects like marble racing by taping tubes together to form a raceway tunnel.

The STEM marble run, neon jungle snakes and the family of bunny rabbits are all creations of students using the gifted tubes!

Why do we collect these tubes? We found out that tubes can be ordered on the internet but they cost about \$.20 each! Outrageous! At that rate, tube art or activities can take a chunk out of a teacher's classroom budget! Our group of over 100 members just saves the tubes to "save" the teachers' budgets!!

Some members also contribute empty pill bottles, ribbon, egg cartons, and popped mylar balloons to name a few of the extra items.

This is a great way to support the educational community without any expense. Our unit has been happy to save these "paper gems" for such a good purpose.

BOONE COUNTY IRSPA

The Boone County Retired School Personnel Association met at the United Methodist Church in Boone on February 11th. Sixteen members and guests were present. Joann Hanson, co-president, presided.

Members brought donations of hygiene items to be given to three Toreador Food Pantry as part of a year-long service project.

Following a delicious lunch served by United Methodist Church Women, Rex Heer, presented the program. sharing his experiences as an artist and illustrator.

The group's next meeting will be April 8th.

COUNCIL BLUFFS IRSPA

The Council Bluffs unit met on November 20, 2024 at the Council Bluffs Country Club with 38 members and 2 guests in attendance. We now have a total of 72 members.

Our speaker, Martha Bonine, shared her experiences decorating the White House in November of 2023 through a power point presentation. Martha is a para educator at Lewis and Clark Elementary in Council Bluffs and is a mentor for the Hero Club at the school which focuses on leadership and volunteering. She explains to her students that a volunteer is a person who freely offers to take part in an activity or complete a task.

Martha Bonine with her
apron that all volunteers
wear

Martha was one of 300 volunteers selected out of 3,000 applicants to decorate the White House in 2023. She was responsible for her own transportation and lodging cost. Three interior design companies worked on the theme for the year. In 2023 the theme was based on "The Night Before Christmas" by Clement C. Moore. Teams were given the names of the reindeers and Martha was part of the Cupid Team which was responsible for decorating the West Wing and the Oval Office. They spent Monday – Wednesday off site preparing the decorations and then Friday – Sunday putting the decorations in place at the White House. One of her tasks was to paint the tops of ice cream cones white so they appeared to be vanilla ice cream. The ice cream cones were hung on the tree in the Oval Office. Her team was also responsible for hanging garland on the South Portico. She had a wonderful time and would do it again if she was given the opportunity.

We are on a winter break until March 19th.

Plans are being made for the District 4 meeting that we will host May 6, 2025 at Broadway United Methodist Church.

Greetings All!

We told everyone that our November meeting was to have one of our local physical therapist delivering a program about how we seniors can stay active, balanced and moving and she 'knocked it outta the park!' We all heard some new ideas to do just that! We don't officially meet during these months of December, January and February but... we gather for fun! In December we held our second annual "Cookies and Caroling at Christmas" where we played a Jeopardy Christmas game, Christmas songs Bingo, and actually sang Christmas carols! Naturally, we ate lots of good food and exchanged our favorite Christmas cookies. We had some awesome prizes too. (See attached pics)

The last week in February we will meet at one of our local deli lunch spots where we will enjoy a delicious meal and no doubt solve the problems of the world... or at least talk and laugh a lot!

Then in March we will be back to our regular meeting time when our program will be "Bella from Pella" where we will learn how Central College helps special needs students be successful in college and beyond. We will share more about that next time. Until then stay healthy and hopeful!

played many familiar holiday tunes. We then enjoyed our annual White Elephant gift exchange. It is fun seeing over 70 wrapped gifts on the table ready for our taking!

We took a break in January and convened for our next lunch and business meeting on February 11th. Our volunteer chair shared that our chapter has clocked in 14,752 volunteer hours so far since September.

JEFFERSON COUNTY IRSPA

In December 2024, the Jefferson County Unit had a very special Christmas program. Becky Peters, the unit's long-time pianist, had moved from her farm to the Addington Place in Fairfield, where the local IRSP hold their meetings. She decided that the grand piano in the lounge that was available for residents to play at their leisure should be put to more use, so she organized a choir. Some, but not all of the singers, were members of IRSP. Some, but not all of the singers, were experienced singers. One was a retired professional vocalist.

After the luncheon, the choir, accompanied by Becky, entertained the attendees with a lovely selection of Christmas music. The audience was invited to join in on the more familiar carols. The entire choir sang other harder selections, and several of the most experienced singers sang the beautiful, but difficult, "O Holy Night." It was a lovely, relaxing end to the 2024 meetings in Fairfield.

Becky Peters at the piano with the choir in the background

The Jefferson County Unit started 2025 with guest speakers from the Iowa Patriotic Stitchers, which is the area group that belongs to the national Quilts of Valor Foundation. This is an organization that IRSP members can help either by VOLUNTEERING time or donating money to cover the cost of supplies. It was formed in 2024 and as of October 2024 Iowa Patriotic Stitchers has honored 532 servicemen with a quilt.

Those who attended the meeting in Fairfield thoroughly enjoyed seeing some samples and pictures of the quilts. President Judith McDonough's husband had been awarded one, and he really appreciated it. IRSP members at the meeting donated money to help buy materials. However, no one had talents in the area of sewing, so there were no volunteers for that.

Anyone interested in either donating time or money, can contact Jane Messer at Janemesser62@gmail.com

DES MOINES AREA IRSPA

On Dec. 5, 2024, the members of DMARSPA gathered at the Iowa Machine Shed for our holiday meeting. We were entertained by the Harmony Central-Sweet Adelines. Everyone enjoyed the holiday music.

DMARSPA met for the first time in 2025 on January 23. Our speaker was Jill Wells, an artist and advocate. She specializes in large installations that are intended to unite the community through art that tells the community's story. She also advocates for the differently abled through the practice of Wayfinding. She uses her interventions to help people find their way in the world and cope with adversity.

Our next meeting is on February 27 when our speaker will be from Hope Ministries in Des Moines.

LEE COUNTY IRSPA

Lee County Retired school personnel met recently at the Congressional UCC church in Denmark. They were served a delicious traditional Thanksgiving meal. New member Theresa McAuliffe was welcomed. Marge Mitchell, Miles Brewer, Jerre Vandenberg, Janet Dinkel and Dixie Mosley, who are all members reside at River Hills Village in Keokuk. Members in attendance were encouraged to pay them a visit.

Member Ed Bazow, presented the program in honor of the Keokuk National Cemetery. The Cemetery was established in 1861, and the first interment took place less than a month later. It had been established in Keokuk because five military hospitals were located in Keokuk during the Civil War. By the end of the war, 600+ interments had taken place. Sources that compiled the Cemetery information, Tom Gardner and Paul R. George, agreed that eight Confederate prisoners of war were also buried here.

The cemetery has an eastern and western section. Civil War era monuments are located in the older eastern section. The most prominent, located in Section D was erected in 1912 by the Women's Relief Corps of Keokuk as a memorial to the 48 unknown soldiers buried in the cemetery. Nearby, in Section B there is a copper case with a glass top containing the cornerstone of the old Estes House that once stood on the corner of 5th and Main Streets in Keokuk. This hotel was turned into a hospital during the Civil War, the largest of Keokuk's five Civil War military hospitals. When the building was demolished in the late 1920's the corner stone was relocated to the cemetery as a memorial to those soldiers who died in the hospital.

There is one Medal of Honor recipient buried: John F. Thorson, Private First Class, U.S. Army, Company G, 17th Infantry, 7th Infantry Division. Pfc. Thorson died at Dagami on the island of Leyte in the Philippine Islands October 28, 1944. He was wounded while single-handedly attacking an enemy position. Nine months after he was killed, he was posthumously awarded the Medal of Honor.

In 1997, the Keokuk National Cemetery was placed on the National Register of Historic Places. Today, it performs approximately 100 interments per year.

"To Serve, Not to Be Served" **VOLUNTEER HOURS**

Our Iowa Retired School Personnel Association State Volunteer hours for the past year totaled 279,598 hours from September 1, 2023 until August 31, 2024. These hours valued \$9,363,736.97. Millions of citizens dedicate their time, talents and energy by volunteering. This makes a huge difference for our state and country. Charitable organizations need these hours to continue their work. Our Iowa hourly national value was \$28.88 per hour last year.

Find an easy way to keep track of your volunteer hours by writing down your organizations you work with and for. Mark the hours on a calendar. Divide your hours into two categories: Youth/Education and Community Hours. Add your driving time to and from your volunteering as well as the time spent volunteering. (Report your hours in WHOLE numbers).

Locally, we tell our members to continue collection of hours and remind them of the many ways that they can collect hours. At the end of August, we call each of our local members and gather their total hours for the year. Remember, we now have six months remaining until collection time.

Iowa Retired School Personnel Association

Dear AMBA,

I am a newly retired school personnel employee and am interested in getting involved with my local unit. I am also interested in joining the IRSPA. I learned that by becoming a member of the Iowa Retired School Personnel Association (IRSPA) I would have access to many valuable benefits. Do you have any suggestions on how I could learn more about these benefits? I was wondering if the association has a web site.

Sincerely,
Curious George

Dear George,

It is great to hear you are excited about getting involved with your association in your retirement. Your timing and questions are spot on. You can access the IRSPA website by going to irspa.org. I encourage newly retired members and existing members to visit the website. Many changes have taken place with this website, and it has become a very valuable source of information.

AMBA is proud to announce the upcoming series of educational seminars for public employee retirees in Iowa. IRSPA partnered with AMBA as the exclusive association benefits providers for members. These short webinars provide valuable resources and information about important topics like Long Term Care, Medicare, Medical Transportation, dental and vision plans as well as savings on thousands of different things like travel, dining, electronics, and more.

These seminars will be offered once a month, and you can register to attend these Zoom meetings right on the website. Once you have accessed the website, click on Events near the top of the page and you can then go to Educational Webinar Series. The talks are educational and informative: retirees often tell us they are thankful for the overview and knowledge they gain. Join us for the next one and invite a friend!

Sometimes life gets in the way of our plans, but not to worry. What's really cool is, if you sign up for a webinar and for whatever reason you are unable to attend, the webinar will be recorded and available for you to watch on your own time at your leisure.

Please note that if you have any questions about your benefits or the new webinars, please reach out to Paul Strid, our AMBA representative at 708-347-7081 or paul.strid@getamba.com.

Little Swan Lake Winery

Little Swan Lake Winery is a family owned and operated business located 1-1/2 miles north of the small town of Superior in Northwest Iowa. In May of 2002 our doors opened to the public. The tasting room, our remodeled 1920's barn, features 35 different wines all produced on site, a selection of gourmet cheeses, and buffalo meat from our own herd which roams nearby. Our vineyard consists of two acres of northern cold hardy grapes. The gift shop features clothing and wine related items. We are dedicated to producing the finest and most enjoyable wines and invite you to spend an hour or an afternoon with us.

Our newest addition, our bed and breakfast, opened in September of 2011. This renovated grain elevator is a great place to relax and enjoy the beauty that is Little Swan Lake!

Hawkeye Buffalo & Cattle Ranch

<https://www.facebook.com/hawkeyebuffaloranch/>

Hawkeye Buffalo & Cattle Ranch is a family farm in northeast Iowa. Our heritage dates back to 1854 when my great-great-grandparents settled in a sod house just a mile from our farm. The bison have returned, and we invite you to connect with the land, our family, and our farm.

Tours include an informative lesson on the history of buffalo in Iowa and a chance to feed the buffalo. Tours are \$15 for adults and \$10 for children. With an IRSPA membership card or showing your copy of the IRSPA newsletter with the Hawkeye Buffalo advertisement, the **cost is \$10 for adults and \$5 for children.** Tours are set up on an as needed basis so you must call in advance to set up your tour. The Buffalo Ranch is southwest of Fredericksburg next to Split Rock Park and Campgrounds at 3034 Pembroke Ave. Visitors often get a chance to see other wildlife too - deer, sandhill cranes, hawks, songbirds, and occasionally eagles. Buffalo meat is also sold on location.
