

IOWA RETIRED SCHOOL PERSONNEL ASSOCIATION

From the President Beth Hieronymus

This summer has certainly been interesting! On July 22, the Executive Board met to review our budget proposal for 2025-2026. After listening to your concerns about membership, we created a line item of funds that could help units recruit and engage members. A committee has been working on the specifics for this; if approved, the information will be shared

at our Annual State Meeting on October 1 and 2 in Mt. Pleasant. Please register today, and make sure a carload from your unit is present to take information about engagement, recruiting, and IRSPA support back to your local unit.

In July, a group of us began reviewing some historic files housed in Des Moines. We found a treasure trove of items, including information on IRSPA from its beginning in 1947 – 1979, newsletters, Proclamations from the Governor, and charter dates for several units. While we have just scratched the surface, it is interesting reading that will be highlighted at the 80th Anniversary celebration of IRSPA in 2027.

Sadly, we are still looking for someone to step up and serve as Vice President. If you embrace new opportunities for growth or want to see changes made, leadership in IRSPA can be your avenue for both. I realize we are all busy people, but we find ways to make what matters fit into our lives. You don't need to tackle the role alone and can partner with another member if you would like. Please reach out to me today if you are interested in becoming Vice-President

President:
Beth Hieronymus
3322 Muscatine Ave.
Iowa City, IA 52240
(319) 360-4634
bhieronymus62@gmail.com

or serving on the board in another capacity.

Finally, I have a curious mind; some may say I'm too curious! Today, I wonder why on August 6th, the Department of Government Efficiency (DOGE) for Iowa recommended overhauling IPERS. Yes, that's correct! They want to gut your financial security! Communications from some state legislators say they won't touch IPERS, but their past legislative actions have left me to question why I should trust them.

Thus far, this recommendation is for a study, and DOGE stated the impact would ONLY be for new employees; but this could not be farther from the truth. If IPERS is changed from a defined benefit to a defined contribution, we will all feel the impact. I urge you to continue speaking out against this study and any potential changes to IPERS. The final report from DOGE is due September 24th, so let's make sure Legislators and the Governor know what we think. We have so much to lose if we don't! Read more about what this means and how to make your voice heard by reading the article by our Legislative chair John Hieronymus. The easiest way for you to get reliable information that is specific, timely and targeted to the actions you can take on matters that impact you is to join your local unit. Information about this recommendation was shared with IRSPA immediately after the DOGE committee meeting, and a response was shared with District Coordinators for distribution to local members by our Legislative chair the following morning. Communication and advocacy are two of the many powerful IRSPA membership benefits. Please reach out to me at bhieronymus62@gmail.com if you need more information about joining a local unit.

I look forward to seeing you in Mt. Pleasant this October!

Beth

District 1

DEARSPA IRSPA

DEARSPA has continued to seek out points of interest in Emmet and Dickenson Counties. School people love learning from field trips. It is amazing how many things we drive by and never give a thought. We have visited the highest point in Iowa, the flower beds of a local bed and breakfast which is listed as one of the top 1% in the nation and the largest collection of paper money in the US. We may not have a lot of people, but we have a lot of interesting things to see and do.

100th birthday celebration for members of DEARSPA in District 1

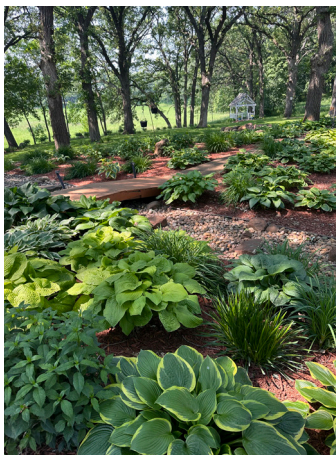

In Ocheyedan, Iowa, Hawkeye Point, is known as the highest elevation in Iowa.

Harris Mini Grotto

Lake Park, Iowa, is home to a mini grotto that was started by E.O. Bell when he was 72 years old.

The gardens at Oakwood Inn are gorgeous!

Higgins Money Museum is fascinating.

District 2

BOONE COUNTY IRSPA

The Boone County Retired School Personnel Association met at the United Methodist Church in Boone on June 10th. 15 people were present. Following a delicious salad luncheon served the United Methodist Church women, JoAnn Hanson, president, presided over a business meeting. Members brought children's books to the meeting to be given out at the free summer lunch program sites. This project and other possible service projects were discussed.

Following the business meeting Jill Janes from Boone Community Schools presented a program explaining Boone School's EDGE program.

Jill Jane talking to BCRSPA members about Boone School's EDGE program.

On August 12th, 17 members of the Boone County Retired School Personnel Association met at the United Methodist Church in Boone for a luncheon meeting.

Following a short business meeting several members of the Boone Community Theatre presented a program about the theatre, its history, productions and plans for its 50th anniversary celebration in September

Submitted by Sue Duffee

WEBSTER COUNTY IRSPA

One of our unit members, Judge Brown, was selected to be one of the two Grand Marshals of the Frontier Days Parade in June. Judge shared his title with fellow Fort Dodger Charlene Washington. Both have committed a great deal of their time to our community. Frontier Days Committee chairperson Jeana Becker said they, "represent the very best of Fort Dodge." Brown said "It was such a great honor to be Grand Marshal. I never even imagined this would happen!"

Brown is the current District 2 Coordinator for IRSPA, a job he has held for several years. He was a social studies teacher at Fort Dodge Senior High, as well as an instructor at Iowa Central Community College. He has also been: A FDCSD board member, a member of the Commission on the Status of Women, an interviewer for military academy candidates, a nominator for the Iowa Judicial nominating process, and a longtime volunteer at Friendship Haven, a Fort Dodge Senior Living Community. Brown was just inducted into the Iowa Central Community College Hall of Fame receiving the Distinguished Faculty and Staff Award. "It is

no wonder he had the honor of being selected as one of the Grand Marshals. This honor is well-deserved," said Janet Carlon, Webster County Unit President.

Also at the Frontier Days celebration was our unit's School House Chairperson, Marcia Johnson. The Border Plains School has been one of our unit's special projects for 47 years. The

Judge Brown is enjoying the parade ride as Grand Marshal of Fort Dodge's Frontier Days celebration.

Marcia Johnson (standing) is helping another spelling bee assistant at the annual Fort Dodge Frontier Days celebration.

school stood proudly serving the children of the surrounding area from 1857-1959. Then in 1964, it was moved from its original spot in rural Webster County to the grounds of the Fort Museum and Village, which is the site of the annual Frontier Days celebration.

In 1978, our unit was invited to provide help in restoring and maintaining the one-room schoolhouse. Johnson has a special interest in one-room schoolhouses as she attended one herself. There is a Spelling Bee held inside the schoolhouse each year during Frontier Days and Johnson has helped for the past four years. She dresses in period clothing and helps with "crowd control" and passes out prizes. "It was good to see so many children at the spelling bee this year. I am gathering old textbooks so today's children can see what children from the past had to read," said Johnson.

District 2

HARDIN COUNTY IRSPA

Mother Nature canceled our March meeting due to blizzard conditions! Shelli Webb from JW Lavender Farms at Quakerdale near New Providence gave the program for our April meeting. She distributed sample lavender items in a gift bag to all, and offered lavender infused lemonade to anyone brave enough to try it!

Laura Newby, director of the Union library, gave a program "Keep Those Rural Libraries Kicking" to our May gathering. She helped us understand how vitally important the "book count" of patron usage can be to funding those same libraries. Even checking out "virtual books" counts!

With regret, our small group has lost four members/former members this school year: Linda Balvanz, Doris Foster (a charter member), Marge Krause, and Maurice Gaulke. We're working doubly hard to recruit new retirees for building our membership in 25/26!

We were thrilled to have the PH Scholar announced at the District 2 meeting in Humboldt. Pictured are Sarah Brogden (mother), Olivia Brogden (scholarship recipient from Iowa Falls – Alden HS), Jean Hoffman (presenter), and three officers of HC-ARSP – Mary Lou Kirkdorffer, Marlene Reece, and Helen Wall. Olivia plans to study counseling, with the hopes of someday serving as a grief counselor for other students like herself. We are very proud of Olivia!

Marlene Reece

District 4

DALLAS COUNTY IRSPA

Dallas County Area Retired School Personnel Association is gearing up for another great year. The officers have met and scheduled informative programs for the upcoming year, the first being the annual "We Didn't Have To Go Back To School" get together the first Thursday in September. All retirees regardless if they are members or not are invited to this meeting with lots of hugs and catching up in evidence. Clark Wicks, Perry Schools superintendent, will update everyone on the happenings in the district along with a principal from one of the attendance centers. New retirees will be introduced and tips on how to spend their retirement will be shared. At the end the annual picture of all retirees will be taken.

Other meetings of the year will showcase programs that we think our members will truly enjoy as well as voluntary donations to causes in Dallas County. Throughout the year, we will be working on plans to host the District 4 meeting in May.

Susan Leslie

District 4

COUNCIL BLUFFS IRSPA

The Council Bluffs Area Chapter will resume meetings on September 15th with a luncheon at the Council Bluffs Country Club. Tonya Dejong, a representative from AMBA, will make a presentation on the many opportunities that AMBA provides. A representative from UNLEASHCB, the Council Bluffs Convention and Visitors Bureau, will update us on what's happening in the Council Bluff area. We are looking forward to visiting with our many friends as well as welcoming new retirees.

Our annual scholarship was awarded to Olivia Robinson from IKM-Manning High School. She will be attending Central College where she will major in psychology. Olivia was very active in her school and community which included Student Council and NHS president, choir, individual and large group speech, musicals, plays, XC and softball. The selection of our scholarship is made by Southwest Iowa Educational Foundation.

Julie Dillehay, Secretary

District 5

JASPER COUNTY IRSPA

Greetings again...

Wow! Is it just us or do you all agree that time is just FLYING BY!?! It seems like just last week we were writing about wrapping up for summer and now here we are, well immersed in another (not) school year! We began a Game Lunch Day in May and many of our members have gotten together throughout the summer to play various games and enjoy lunch together. When we have enough to form three tables for Bunco we seem to like that a lot! When we can't gather enough for that, we like Dominoes... but honestly we just like being together laughing, eating and playing!

We believe we have procured some AWESOME programs for this year. Our first meeting ~ the end of September ~ will offer a presentation that has garnered lots of interest as we all have a vested interest in the information to be learned. We are quite pleased to have secured the COO and former CNO (Nursing Officer) of our MercyOne Newton Medical Center who will share updates on our only Jasper County Hospital. Like us, you too may have seen a list floating around saying our hospital was one of two in the state that was going to close! We wanted answers and spoiler alert... we are NOT (whew) closing, in fact we are remodeling/updating our ER. More will be shared on that and our other fabulous programs in future newsletters. Until then, stay engaged, active and hopeful!

Denise and Lana
Co-presidents
Jasper County

JOHNSON COUNTY IRSPA

Beth Hieronymous is retiring as our State President, but her impact will be felt for years. Her enthusiasm and dedication to the job will energize many. Thank you, Beth! Of course, she will fill the Past President position well.

Mary Mascher is our president for the 2025-2026 year. She already has speakers and programs outlined. We will hold our meetings at the Elks Club, again, where the food is good and very reasonably priced. We will continue to meet on the fourth Wednesday of the month except when it interferes with a holiday. Mary's organizational skills include Dave Ulrick who has our Directory Book complete and awaits our Iowa City artist, Jim Hawtrey's, cover picture. We plan to call our potential members list in August if folks have forgotten to rejoin. We also have had some terrific outings with lots of fun, always food, and, at our meetings, a learning environment planned.

We concluded our time together this year with a Kernels Baseball Game in Cedar Rapids. Our group was small but happy. We were there for the "Tuesday Night Special" of food and drink. Special prices always make people happy.

Here's hoping your past year was as fun and educational as ours!

Nancy Porter

DAVENPORT AREA IRSPA

Our executive board has met this summer to plan for the coming year, as well as meeting with committee chairs...and special committees (programming and budget) have gathered to plan as well. We are lucky to have so many dedicated members step up to the plate!

Our first meeting will be held in September with lunch, a business meeting and conclude with an individual involved with Nahant Marsh as our speaker.

Different this year - we will meeting at a new venue for our monthly meetings!! We have been at the same place for decades...but because of changes there, we had to find a new place to meet and found a great event center. We are anxious to see how it all works out!

We will continue our scholarship program (new last year) - as our members have been very generous in their donations.

We hope to reconnect with many old and new friends as we meet for lunch and entertainment this year.

Submitted by Cheryl Sly - Secretary

WEBSITE UPDATES

Website Updates At this time of year many of you are making plans for the next year. Please remember to send your new programs to 42teacher@gmail.com so that I can update them on the website. Having this information on the website may save printing for your unit as well as provide a place to peruse and find ideas for your unit. No need to reinvent the wheel. With IPERS under attack right now, keep an eye on the Legislative tab under the ABOUT page for updates There is a contact link there for you to contact John Hieronymus, our legislative chairperson, directly with any questions you may have. Also remember to send photos of interesting activities from your unit to 42teacher@gmail.com to be posted on the IRSPA Facebook page. Like and follow to receive all new posts.

IRSPA LEGISLATIVE AND BUDGET MEETING JULY 22, 2025

The IRSPA Legislative and Budget Meeting was held on July 22, 2025, at PolicyWorks in Des Moines. The district coordinators met and reviewed May's district meeting evaluations. Another topic item of business was a review of the guidelines for district and state meetings. IRSPA job descriptions were discussed, and there was time allotted to address questions and concerns.

The large group board meeting heard a legislative update from our two lobbyists, John Cacciatore and Christopher Rants.

Robert Swanson went over the 2025-26 budget. As of July, 2025, IRSPA had 5,059 members. There are many members who have not paid their 2025 dues, so Robert was not able to calculate our total revenue. Membership dues are critical because they are IRSPA's main revenue source. The three most costly expenses are the newsletter, the annual state meeting, and the six district meetings.

After lunch, President Beth Hieronymus reminded the group that the organization needs people to assume officer and committee chair roles. These are volunteer positions, and there are intrinsic rewards when a member commits "to serve, and not to be served."

Jean Hoffman discussed the Parent in Heaven Scholarship. Jean reported that the scholarship fund is very close to being self-sustaining due to the generous contributions of IRSPA members and sponsors. Since its inception, the scholarship was awarded to a student from one of the six districts. There was a motion that carried which stated that in 2025, scholarships will be given to one student from each of the six districts.

Linda Miller reviewed the annual meeting agenda. Mt Pleasant will host the state meeting on October 1-2, 2025.

During the wrap-up portion of the meeting, miscellaneous concerns such as the Americus dental plan were discussed. There have been some questions and adjustments as IRSPA members transition to the new coverage.

Toni Hood

Iowa DOGE Recommends End to IPERS

On Wednesday, August 6th the lobbyists for IRSPA informed us of a preliminary report of the Iowa DOGE group. Iowa DOGE recommended that Iowa end its defined benefits program for state employees and replace it with a defined contribution program. It also recommended reducing health care benefits for state employees.

One way this would save money is to reverse the contribution rates so that the employee would pay as much as 70% and the employer would pay 30%. For education employees, it is currently 40% from employees and 60% from employers. Retaining and recruiting educators and public service employees is a continual concern that will take a more substantial hit with this recommendation in the air. It is time to tell your legislators and the Governor that IPERS is essential for attracting and retaining qualified employees.

The final committee report is due September 24th. If this recommendation remains in the final report and is carried out, even in phases, this change would cut off the influx of new money into IPERS and eventually cause a collapse in IPERS. All of the actuarial calculations for the funding level of IPERS would be completely inaccurate.

IPERS stimulates more than \$2.3 billion annually into Iowa's economy through the spending habits of its 414,172 members. We are economic development! As Iowa's budget continues to suffer with recent legislation around school vouchers and the reduction of state income taxes, mitigating the damage on the backs of public service workers is not sound economics for our state. I encourage you to contact the Governor's office (515-281-5211) as well as your legislators and urge them to oppose this recommendation and the negative impact it will have on Iowa's economy. You need to make your voice heard before it is too late!

Remember that IRSPA is your watchdog for IPERS. Your membership is an important part of your financial security.

John Hieronymus

Anne Frank Exhibit, Danville Library

Freedom Rock, Museum in Winfield

Swedish Museum in Swedesburg

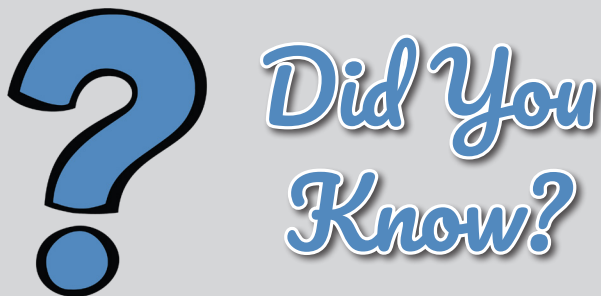

P.E.O. Memory Room

As a part of our Annual State Meeting and Conference in Mount Pleasant, we have arranged tours at Old Main on the campus of the former Iowa Wesleyan University with Anita Brent Hampton, Chapter Original A P.E.O. The P.E.O. Sisterhood was founded on campus in 1869.

On Wednesday, October 1, starting every half-hour, at 2 p.m., 2:30 p.m., 3:00 p.m. and 3:30 p.m., Past International Chapter President Elizabeth Garrels will provide a brief explanation in the Memory Room (the room where it happened!).

After her introduction, guests are encouraged to self-guide through the remaining rooms and hallway at their own pace. As Anita Brent Hampton said, “We have a wonderful story of Sisterhood to tell, one that has expanded to 200,000 women across North America supporting women's education around the world. We love sharing it!”

If you are looking for contact information for anyone on the state board, you can find it on the webpage irspa.org. Click on the ABOUT page, then Leadership in the drop down menu.

IRSPA Bids A Fond Farewell To Lobbyist John Cacciatore

John Cacciatore, the IRSPA Democratic lobbyist, retired in August, 2025. IRSPA members will miss his professionalism, legislative savvy, and his ability to successfully work with our ever-changing executive board.

John has spent the last 30 years as a leader in public policy and political campaigns. Prior to joining PolicyWorks Iowa, John served as the Director of the State of Iowa's Federal Relations Office in Washington, D.C. Other notable positions include Chief of Staff, Policy Director and Campaign Manager for Gov. Tom Vilsack; the top aide for then-Iowa Senate Presidents Leonard Boswell and Mike Gronstal; Finance Director for the Iowa Democratic Party; and door-to-door canvass manager for Tom Harkin's initial campaign for the U.S. Senate. In 2017, John was recognized as an Honorary Pioneer Lawmaker at the Capitol for his years of service to the state.

IRSPA is looking forward to working with John's replacement Jake Friedrichsen. Jake has more than ten years of experience working directly in the Iowa legislature. He most recently served as Chief of Staff to the last three House minority leaders. Jake has served as Executive Officer to State Treasurer Michael Fitzgerald and worked on political campaigns as Field Director for the House Truman Fund.

Toni Hood

Democratic lobbyist John Cacciatore and Republican lobbyist Christopher Rants share nonpartisan humor at the IRSPA July 2025, Legislative and Budget Meeting.

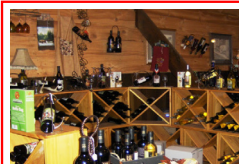

Little Swan Lake Winery

Little Swan Lake Winery is a family owned and operated business located 1-1/2 miles north of the small town of Superior in Northwest Iowa. In May of 2002 our doors opened to the public. The tasting room, our remodeled 1920's barn, features 35 different wines all produced on site, a selection of gourmet cheeses, and buffalo meat from our own herd which roams nearby. Our vineyard consists of two acres of northern cold hardy grapes. The gift shop features clothing and wine related items. We are dedicated to producing the finest and most enjoyable wines and invite you to spend an hour or an afternoon with us.

Our newest addition, our bed and breakfast, opened in September of 2011. This renovated grain elevator is a great place to relax and enjoy the beauty that is Little Swan Lake!

Scott and Diane Benjamin and Family

Little Swan Lake Winery offers a 10% discount on bottled wine to IRSPA members when you show your membership card or the ad from the newsletter. Offer good at the winery only.

Hawkeye Buffalo & Cattle Ranch

<https://www.facebook.com/hawkeyebuffaloranch/>

Hawkeye Buffalo & Cattle Ranch is a family farm in northeast Iowa. Our heritage dates back to 1854 when my great-great-grandparents settled in a sod house just a mile from our farm. The bison have returned, and we invite you to connect with the land, our family, and our farm.

Tours include an informative lesson on the history of buffalo in Iowa and a chance to feed the buffalo. Tours are \$15 for adults and \$10 for children. With an IRSPA membership card or showing your copy of the IRSPA newsletter with the Hawkeye Buffalo advertisement, the **cost is \$10 for adults and \$5 for children**. Tours are set up on an as needed basis so you must call in advance to set up your tour. The Buffalo Ranch is southwest of Fredericksburg next to Split Rock Park and Campgrounds at 3034 Pembroke Ave. Visitors often get a chance to see other wildlife too - deer, sandhill cranes, hawks, songbirds, and occasionally eagles. Buffalo meat is also sold on location.
