

IOWA RETIRED SCHOOL PERSONNEL ASSOCIATION

From the President Anne Cowley

Summer is winding down. I just returned from my yearly visit to Branson where I relaxed by the pool, and I just let everything go for a week. Now it is time to get back on track. Your Executive Board met in July via Zoom for our annual legislative review with our two lobbyists and we reviewed our budget proposal for this coming year. We were all very pleased to do it by Zoom, as we saved IRSPA money due to no travel or meal expense. We approved the budget to be presented to our general membership at our annual meeting in October.

Highlights from the legislative review included: IPERS was protected, and IPERS leadership found the top two executives dismissed amid misconduct allegations, with no financial irregularities found. These two items are of most concern to our membership. John Hieronymus and Barb Bielenberg are to be commended, along with Beth Hieronymus, for a well-run meeting. Look for John's article in this newsletter. We have great leadership at IRSPA. With that in mind, I am pleased to announce that I officially invited Mary Mascher to become our new Vice President at our October meeting. Sally Barrett will be IRSPA President-elect. A big THANKS goes out to Linda Miller who recruited both of these outstanding ladies to fill our leadership positions.

Jean Hoffman, our public relations chair, is always busy updating the irspa.org website. As you begin your fall meetings, please send a list of your new officers, a PDF copy of your program year, and your units constitution to Jean at 42teacher@gmail.com; she will put the

712-204-5182
Amusicwest@aol.com

information on the webpage. This webpage is an easy and great source to access for the latest information. Many units find the program ideas especially helpful.

Please make plans to attend our annual state meeting this October 7 & 8 in Sioux City. The meeting will be held at Redeemer Lutheran Church. They host our regular Sioux City retired group, and they prepare very delicious meals for us. There will be many yummy items for sale such as jams and jellies, pickles, pies, and cookies; so bring some cash with you.

We asked each District Coordinator to source 2 local/regional gift baskets with smaller, more affordable items for our silent auction at our annual meeting. We hope this will encourage more participation and competition as these items go to our PH Balance Scholarship revenue.

I know it is a long way across the state, but my city has lots to offer. In the June issue of our newsletter, on page 21, you will find things to do in Sioux City. The registration form for the meeting can be found on pages 22 and 23 of the June issue and is repeated in this issue. The registration form is due by September 22. You will also find the link on that page for the hotel rooms. We have kept the costs the same as last year. Remember that IRSPA will pay for one hotel room for each unit president or designee and mileage for one car (a second car if the first car is full) in hopes that each unit will be represented. Our goal is to have each unit represented, so please consider coming to this very important meeting.

Enjoy the remainder of your summer. If you haven't been on vacation yet, consider traveling around our beautiful state. You just might discover some interesting sights. I do hope to see many of you in my home town of Sioux City in October. Until then, stay cool in our late summer heat wave.

Anne Cowley, IRSPA President

Website: www.irspa.org

DEARSPA

IRSPA

DEARSPA has had a fun summer discovering hidden treasures in our area. We kicked off the summer with our recruitment meeting and were excited to welcome four new members.

Thanks to IRSPA for the grant that helped support our membership recruitment efforts.

In June, we had lunch at the Lucky Hole, followed by a tour of the Emmet County Museum. They have made a tremendous number of updates, and I'm certain that visiting the local county museum is something every unit should periodically have on its agenda.

In July, we toured Jones Dairy near Spencer, where the dairy has been in operation since 1903. The cows

are milked on a rotating milking station that holds 64 cows at a time. It was a fascinating look at a long-standing local operation.

Most recently, we spent a perfectly lovely and relaxing afternoon at the Scone Tea Room in Swea City. Our afternoon was filled with relaxing, laughing, and learning.

There are so many hidden gems in our area. Continuing to learn about and appreciate our local

communities is one of the many benefits of belonging to a group like DEARSPA.

WEBSTER COUNTY

IRSPA

Have you ever wondered what happens in a minimum security prison? Well on March 2, some fifty members of the Webster County IRSPA met at Friendship Haven and found answers to this question.

Mike Boatman, Deputy Warden at the Fort Dodge Correctional Facility, presented our program entitled "Everything You Wanted to Know About Prison". Here are some highlights of his presentation - There is over 200 on staff at the prison, with a shortage of 30 - 40 officers at this time. Presently every male that is incarcerated goes thru Oakdale where they are assessed and sent to a prison from there.

Mike Boatman,
Deputy Warden
Fort Dodge
Correctional Facility

Iowa has 9 prisons. Fort Dodge is a Minimum Security Prison with an average of 1250 inmates, 81 who are serving life sentences. 23 years is the average sentence for an inmate. Religious services and Prison Fellowship are available to the men. There are support services through AA and programs for violence & cognitive needs. Mental health issues are handled through therapies and some medications. The men are encouraged to get involved in the programs available to them. Mr. Boatman stated that people have the ability to change; some are inherently evil but most can change. The roll of those employed at the prison is to teach new skills and new behavior. High school and college classes are offered through ICCC. The prison is actually a small community.

We learned a lot about another facet of our community.

The April 6th meeting was held at the Corpus Christi Center. Per our tradition, The Fort Dodge Senior High All State Individual Speech Contest students shared their performances. Saiya (junior) performed an original oratory, Allison (senior) shared poetry, and Aidan (senior) gave

Pictured left to right:
Aidan Recker, Allison Utley,
Saiya Noborikawa

an expository address. Such talented students!

First Covenant Church was the host for our May 4th meeting. President Janet Carlon opened our meeting with a prayer. before the meal was served, Janet reminded all of us to give our volunteer hour to Becky Nelson Riley and pay our 2026 - 27 membership dues, if we have not done so. The program for the May meeting is meeting our scholarship winners and a Memorial Service. Judy Sheker introduced the 2026 scholarship recipients; Malia Urban and Blessing Cunigon, both of Southeast Valley High School. Malia is planning to attend Buena Vista in the fall and is interested in teaching Elementary Education, STEM, and Coaching. Blessing hopes to attend Loras Collage, majoring in Special Education.

Pictured left to right:
Blessing Cunigon,
Malia Urban

Five members of the Webster County IRSP were remembered during the Memorial Service. Those members will be remembered for their dedication to education. Rest In Peace.

Our meeting concluded with President Janet Carlon giving a final farewell to a productive year and wishing all a fantastic summer!

Summer is relatively slow for the Webster County Unit of IRSP. Some committees continue to meet and plan for the next year of meetings but otherwise not much goes on. One Summer activity happens during the annual Fort Dodge Frontier Days in June; the Spelling Bee. This annual event is held in the old Border Plains Schoolhouse at the Fort Dodge Fort Museum. Webster County IRSP supports the school house and assists in the spelling bee.

President Janet Carlon

MARSHALLTOWN

IRSPA

The MCRSPA met on April 20, 2026 at the Taylor #4 Schoolhouse in Marshalltown. The program, "A Day in the Country School", was given by Rita Smith (Miss Kurtz). The Taylor Schoolhouse burned down in 1912 and was rebuilt in 1913. The original schoolhouse was located by the fairgrounds and was renovated when it was moved to the current location on N Second Avenue. The schoolhouse museum represents the 1913 version of the school. Miss Kurtz was the teacher that year. She taught for only one year because when she married, she was no longer allowed to teach. Miss Kurtz was paid \$45 per month and lived with the family of a different student each month. The Taylor #4 Schoolhouse closed in 1955, because of the invention of the school bus!

No child was expected to walk more than 3 miles to school. Therefore, many country schoolhouses were needed. In 1913, there were 124 country schools in Marshall county. There were 12,630 country schools in Iowa. Currently, every fourth grade classroom in Marshall County spends a school day attending school at the Taylor #4 school to learn the history of the county school system. The children wear period clothing and study penmanship, arithmetic, reading, and writing during their abbreviated school day.

Rita Smith shared what a typical school day was like in 1913 and explained the various historical items found in the school room. While in the midst of the math and reading studies, Mrs Binford (Trudy Wilson) from down the street, dropped by to greet the class and encourage them in their school work.

The business meeting was called to order by President, Phil Tetzloff with 30 members in attendance. The minutes from the February 9 meeting were read by Rita Smith, Co-Secretary. There was no meeting in March due to the weather.

Phil announced that we should bring our volunteer hours (divided into community and educational hours) from the past year (June through May) to our May meeting. Our May agenda will include the election of officers for the 26-27 school year. Phil announced that he will not seek re-election. Otto would also relinquish his position as Treasurer if someone is willing to step up. Members were reminded that they can pay their dues anytime between May and

our September meeting. Dues are \$23 (\$15 state, \$8 local).

Judge Brown, our District 2 Coordinator, was in attendance. He reminded the group that the District Meeting will be in Iowa Falls on May 6. Phil Tetzloff plans to attend if anyone wants to ride with him. Judge shared that there is a concern statewide about the money being designated for public schools because more money is being allocated to private schools. He also shared that the legislature passed a bill to have High School students take more responsibility for their actions.

The social committee, Michelle Irwin, Rita Byers, Sue Cahill, Mary Harris and Mary Borton, were thanked. They provided what might have been typical "sack lunches" in 1913 for each "student" in attendance. The lunches included water, beef jerky, nuts, crackers, cheese and a cookie.

Our next meeting, will be on May 18 at Hope United Methodist Church (note the change in location). We will meet at noon for a potluck meal. Members are encouraged to bring non-perishable food or a monetary donation for the little food pantry at Hope UMC as a thank you for the use of their building. Drinks will be provided.

Kathy Baker, Co-secretary

BOONE COUNTY

IRSPA

The Boone County Retired School Personnel Association met at the United Methodist Church in Boone on June 9th. 14 members were present. Joann Hanson co-president presided.

Following a delicious lunch served by United Methodist Church Women, Judge Brown, NC Iowa Coordinator, spoke to the group sharing information about IPERS and possible changes to the district.

After the business meeting Linda Hora presented a program on chair yoga for seniors and its potential health benefits.

The next meeting will be October 13th.

Linda Hora leading the BCRSPA in some chair yoga exercises.

LEE COUNTY

IRSPA

Lee County Retired School Personnel met in Keokuk recently at the New Bethel Church. Guests were welcomed and the pledge of Allegiance was led by Woodie Brassil. Jennie Rose, North American Technical Director and former plant manager of Roquette America in Keokuk presented the program. Rose, a KHS graduate, was highly influenced by her instructors, specifically Mrs. Dev Kiedaisch. Mrs. Kiedaisch accompanied Jennie to a science conference at Iowa State University in Ames while in high school. From this experience, Jennie was inspired and encouraged to pursue a chemical engineering degree. Rose graduated with a CE degree in 2004 from Iowa State.

Rose shared further details about the products produced from the corn-based facility. Every part of the corn kernel is used. Some of the products produced are; sugar-free sweeteners, corn syrup, Mars-Wrigley products, medications, and a newer product, Electrolit. This product equals itself to many electrolyte products on the market. Roquette, a French based company has grown to become the leader in starch production in Europe. The Keokuk facility processes 100,000 bushels of corn daily. Roquette is a world-wide company employing 10,000 employees in 37 countries. The Roquette Brothers purchased the facility in 1991.

LCRSP will resume their meetings in September 2026. For more information about the organization contact 319-795-2811.

COUNCIL BLUFFS

IRSPA

The Council Bluffs unit is looking forward to resuming meetings after our summer break. Our first meeting will be a luncheon on Wednesday September 16 at noon at the Council Bluffs Country Club. We are looking forward to seeing all our friends and welcoming new retirees. Our speaker for the day will be Cara Cool Trede from Career EdVantage. She will give an overview of how Scholarships are given through the Southwest Iowa Educational Foundation.

Our Scholarship for the year was presented in May through the SWIEF. This year's recipient was Iris Thompson from Treynor High School. She plans on attending the University of Iowa to study Actuarial Science and Finance. Iris was involved in FBLA, JOI Club, individual and large group speech, NHS, basketball managing, and Girls State.

Beverly Fletcher, President, Nancy File, Treasurer, and Diane Johnson, Vice President are shown with Iris at the SWIEF presentation breakfast.

Julie Dillehay, Secretary

DAVENPORT AREA

IRSPA

Our executive board met this summer to plan for the upcoming year. Committee chairs and special committees (programming and budget) met to plan as well. This will be our second year meeting in the Cunnick-Collins Life Celebration Center. Meals will again be catered by The Chef's Catering Company. There is a change to our meeting time. Luncheons will begin at 11:00 a.m., followed by the business meeting, and then a program. This will be our third year to sponsor a scholarship program. Scholarships awarded in May are made possible by the generous donations of our members. We are looking forward to reconnecting with friends as we meet for lunch, fellowship, and entertainment again this year.

Summary of the 2026 Legislative Session

The IRSPA State Committee met with our lobbyists Jake Fredrickson and Christopher Rants from PolicyWorks. Their report was a comprehensive review of the Iowa legislative session.

Here are the highlights:

IPERS

IPERS protections held firm this session despite the recommendation of the DOGE report to move to a 401k type system. The IPERS bill that passed increased benefits for protected class employees (correctional/conservation officers) along with an increase in their contributions to the fund. The top two IPERS executives were dismissed amid misconduct allegations. No financial irregularities were found. The new governor will conduct a formal search.

Charter Schools

Charter school employees now IPERS-eligible. A revolving loan program was established under the Iowa Finance authority for facilities. Public schools must accommodate charter students in extracurriculars without preference for enrolled students. Iowa institutions must now recognize parent-issued diplomas as equivalent to regular High School diplomas. Enrollment caps on Homeschooling were removed and instructors can now charge tuition.

MAHA (*Make America Healthy Again*)

Screen time for students capped at 60 minutes/day (K–5) and 13 dyes/additives were banned from school food and vending machines.

School Discipline

Schools must establish a Discipline committee (2 teachers + administrator) to address repeat disruptions. Teachers were guaranteed 5-day leave if physically harmed.

Property Taxes

School infrastructure (SAVE) funds were diverted (12.5% starting 2026, rising to 25% by 2030 to buy down property taxes. The uniform levy rate was reduced from \$5.40 to \$2.97 to be replaced by increased state aid.

Election Outlook

Republicans are expected to retain House and Senate majorities. In the Governor's race Rob Sand (D) vs. Zach Lane (R) is considered a toss-up.

Lane founded a Kansas charter school, is a strong ESA (voucher) proponent, is connected to Americans for Prosperity, and his policy position on IPERS is unclear. Sand is the current state auditor, is a proponent for public money for public schools, has the endorsement of the ISEA, and has stated support for protecting IPERS. Republicans hold a 180,000 voter registration advantage.

Key concerns raised

Currently, Iowa has a \$1.3B structural deficit. The Taxpayer Relief Fund is down from approximately \$7B to \$2.4B. The money has been used to pay the deficit between expenditures and revenue since passing the flat income tax and starting the voucher program. Education and healthcare funding are the areas most exposed if revenues don't equalize with expenditures. In addition, there is a Constitutional Amendment on the ballot. If passed, a two-thirds vote of the Iowa legislature would be required to raise income taxes.

Get involved in the next election to protect IPERS and support education. VOTE!!!

John Hieronymus

IRSPA Welcomes

Sally Barrett, a member of the Lee County unit, was appointed as the IRSPA Vice President in May, 2026. She will assume her duties as President-Elect at the State IRSPA Meeting in October, 2026.

Sally:

- Retired in June, 2013
- Taught GED for Southeastern Community College in Keokuk for 17 years.
- Was also interim director of Adult Ed for over a year during this time.
- Subbed for Keokuk Community School District
- Directed her church's children's choir
- Assigned as a lay pastor in Bonaparte and Farmington since 2019
- Currently serving as a lay pastor in Canton, Missouri

IRSPA Membership Works for You! *by Beth Hieronymus*

Membership in IRSPA matters! Whether it is from our legislative advocacy on education, senior issues or knowing IPERS is protected as a defined benefit, you benefit. IRSPA members have access to various insurance benefits through AMBA and discounts on hundreds of items through Passport! And now, we can travel through our partnership with Collette. IRSPA is the best kept secret out there - all for the low cost of \$15 annually.

Sharing these benefits with retirees is critical for us and them. This year 14 local units took advantage of sharing these benefits through our membership grants. From Davenport to Council Bluffs and DEARSPA to Keokuk, increasing membership is now part of ongoing conversations and increased awareness of who is spreading.

Don't just take my word for it. As with anything, progress takes time! Consider attending our Annual Meeting this October 7 and 8 in Sioux City where you can learn about the results of our membership grants in addition to the specifics of our travel packages and so much more. Don't miss out on this opportunity to find out how to step up, share the benefits of belonging to IRSPA, and invigorate your local with new retirees as well as those from years ago.

Collette and IRSPA Make Travel Easy

IRSPA has partnered with Collette to offer a variety of domestic and international travel options for our members and guests. 2027 brings three packages to you. In June, discover Painted Canyons of the West featuring Utah's Five National Parks, travel to Italy in September, and celebrate the holidays in New York. Ireland is also coming in 2028.

Informational webinars for each package let you know all the specifics. Discounts are available for early registration and payments. Details and registration links are posted on www.irspa.org under our Travel menu. Additional information will be shared through communication with local units, in our newsletter, at District Meetings and during our Annual Meeting. Space will be limited, so mark your calendars and pack your bags. The only criterion for signing up on these trips is that one person in your party must be a member of IRSPA. Membership in IRSPA has its advantages!

Little Swan Lake Winery

Little Swan Lake Winery is a family owned and operated business located 1-1/2 miles north of the small town of Superior in Northwest Iowa. In May of 2002 our doors opened to the public. The tasting room, our remodeled 1920's barn, features 35 different wines all produced on site, a selection of gourmet cheeses, and buffalo meat from our own herd which roams nearby. Our vineyard consists of two acres of northern cold hardy grapes. The gift shop features clothing and wine related items. We are dedicated to producing the finest and most enjoyable wines and invite you to spend an hour or an afternoon with us.

Our newest addition, our bed and breakfast, opened in September of 2011. This renovated grain elevator is a great place to relax and enjoy the beauty that is Little Swan Lake!

Scott and Diane Benjamin and Family

Little Swan Lake Winery offers a 10% discount on bottled wine to IRSPA members when you show your membership card or the ad from the newsletter. Offer good at the winery only. www.little-swain-lake-winery.com • Phone: (712) 858 - 4592

Hawkeye Buffalo & Cattle Ranch

<https://www.facebook.com/hawkeyebuffaloranch/>

Hawkeye Buffalo & Cattle Ranch is a family farm in northeast Iowa. Our heritage dates back to 1854 when my great-great-grandparents settled in a sod house just a mile from our farm. The bison have returned, and we invite you to connect with the land, our family, and our farm.

Tours include an informative lesson on the history of buffalo in Iowa and a chance to feed the buffalo. Tours are \$15 for adults and \$10 for children. With an IRSPA membership card or showing your copy of the IRSPA newsletter with the Hawkeye Buffalo advertisement, the **cost is \$10 for adults and \$5 for children.** Tours are set up on an as needed basis so you must call in advance to set up your tour. The Buffalo Ranch is southwest of Fredericksburg next to Split Rock Park and Campgrounds at 3034 Pembroke Ave. Visitors often get a chance to see other wildlife too - deer, sandhill cranes, hawks, songbirds, and occasionally eagles. Buffalo meat is also sold on location.
